

## An information website for all publics

- Available in 7 languages
- Accessed every year by 9 million users
- Funding from the EC and all European countries as a Joint Action

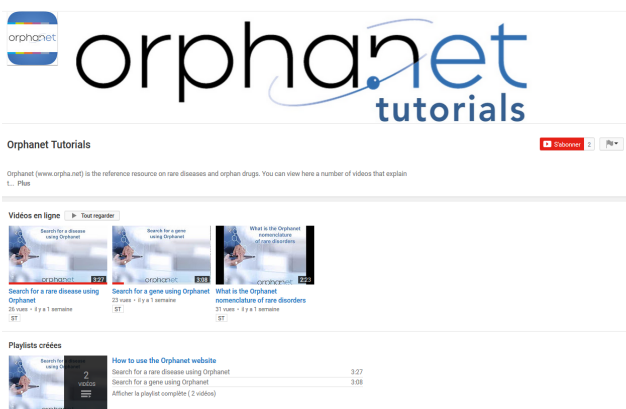

<https://curation.orphanet.org>

## curation.orphanet.org

An interactive expert community-driven curation platform for the Orphanet database of rare disorders co-developed by Orphanet and the Garvan Institute.

<http://bit.ly/OrphanetTutorials>

## A new Youtube account for Orphanet tutorials

"What is the Orphanet nomenclature?", "How to search for a disease in Orphanet" and "How to search for a gene in Orphanet": to help users to better understand the nomenclature and Orpha numbers, as well as to help users navigate the new version of the Orphanet website and discover all the features on the disease and gene pages.

[www.orpha.net/consor4.01/www/cgi-bin/Education.php?lng=EN](http://www.orpha.net/consor4.01/www/cgi-bin/Education.php?lng=EN)

## Orphanet procedures

“Orphanet inventory of rare diseases”, “Rare diseases nomenclature in English”, and “Orphanet inventory of genes related to rare disorders”: these documents are produced to help users understand how the Orphanet inventory of rare diseases is updated and maintained, the rules used in the Orphanet database to create the nomenclature, and how the Orphanet inventory of genes related to rare disorders is maintained and updated.

You will also find the Orphanet Standard Operating Procedures (SOPs).
